HANDICAP FINALS I	1:00	1 lap (10 miles)	Cash	
HANDICAP FINALS II	2:00	1 lap (10 miles)	Cash/Swag	

SPEEDWAVES™ (Morning rounds): Riders will be seeded into fields of approximately 10 riders based on 2010 Cross Country mountain bike results. Each WAVE of 10 riders is racing for a separate prizelist. Top SpeedWaves™ are racing for cash, others will be racing for trophies/prizes. Prizelist increases 50% with each faster wave! Awards to top three in each wave. DORBA series points awarded based on raw finish times compared with riders in DORBA category. TEXAS HIGH SCHOOL CYCLING LEAGUE series points awarded based on raw finish times compared with riders in same H.S. category. (Men A/B, Wm)

HANDICAP FINALS (Afternoon rounds): **All riders** will be slotted into one of three races based on their finish in the morning rounds. Riders finishing in the top three of each SpeedWave™ will participate in the championship round handicap event, for the largest prize purse. Each group of top three riders will start separately, with handicap time gaps based on their SpeedWave™.

JUNIORS: 15-and-up (and 13-18 cat 1/2) race with adults of comparable ability. Others race at noon on 3 shorter loops.

ELIGIBILITY: All riders who are capable of riding (or otherwise completing!) loops A-D are eligible to enter. Past race results will be used for seeding. Please contact promoter if you have not entered any other Cross Country MTB events in 2010. You will be seeded based on previous year's results, or a separate time trial if needed. USA CYCLING license is required for all riders. Category 2 riders may purchase a one-day license for \$10. Category 3 riders may purchase a one-day license for \$5. Online registration fees apply. If race fields fill, a waiting list will be established. Rain Date: Saturday November 20. Payouts may be adjusted if event does not reach 75% of capacity.

DIRECTIONS: Exit #562 from Interstate 20. Take FM 14 north 2 miles to Tyler State Park. Entrance on your left.
